

Letter to the Member Societies of ISSMGE

September 8, 2016

Subject: Call for abstracts for the 6th International Young Geotechnical Engineers' Conference (iYGEC6).

Dear ISSMGE Member Societies,

We would like to inform you that the call for abstracts is now open. If the Member Societies will submit the nominations, you are kindly advised to collect and submit the abstracts with nomination form to the Organizing Committee via email iYGEC@icsmge2017.org. The instruction about the submission of abstracts and nomination form are enclosed.

After abstracts are submitted, we will request Member Societies to collect and submit the final 2 pages long papers. Member Societies will then be requested to transfer files to the Organizing Committee by email before March 10, 2017. Detailed instructions for full papers will be provided on a timely manner.

* Submission Guidelines

- Abstracts must be written in English.
 - Abstract submissions must include abstract title, author(s)' name(s), affiliations, addresses and contact numbers and email addresses of the presenting author and corresponding author.
 - Abstract body should be in text only and should not exceed 250 words.
 - All abstracts should clearly state: Objectives (or backgrounds), Methods, Results, and Conclusions.

* Key dates for abstracts and papers submission

September 30, 2016	Abstract submission Close
October 30, 2016	Full paper submission Open
March 10, 2017	Full paper submission Close

Should you have any inquiries, please contact the Secretariat via email at iYGEC@icsmge2017.org.

Best regards,

The Organizing Committee of iYGEC6
